Rinnosuke: Okay, so this marks our first release with using tankoubon scans, which we will be using from now on. There are slight alterations in the volume releases compared to what happened in the magazine scans, but they shouldn't affect the story too much for future volumes.

Eternia: Oookay, now we find out that Takayama Iota reads and watches yaoi. So he swings that way?! No wonder he's unfazed when Hina-chan flashed her panties at him, LOL. Just kidding.

Notes Page

Smörgåsbord is a type of Scandinavian meal served buffet-style with multiple dishes of various foods on a table, originating in Sweden. Smörgåsbord became internationally known as Smorgasbord at the 1939 New York World's Fair when it was offered at the Swedish Pavilion's "Three Crowns Restaurant."
It is typically a celebratory meal and guests can help themselves from a range of dishes laid out for their choice. In a restaurant, the term refers to a buffet-style table laid out with many small dishes from which, for a fixed amount of money, one is allowed to choose as many as one wishes.
Sounds great, huh, even though we should take precaution of the calorie. In case of Nana-chan, all the fat went to a favorable place, though. :-P
